Financials

June financials are complete & have been shared with both Bob & Charlie.

Work Orders

Since June 19th, we have received 17 new work orders, all of which have been assigned, with all residents contacted. In the same time period 14 previous work orders have been closed out.

Landscaping

Valley Crest reports that the second trimming has been started.

Additionally, Adam & Peggy continue to have weekly meetings (Friday) to review all open requests. Adam & staff follow up on all requests on each Monday.

Special Projects

Currently we are managing two special projects: (1) resealing of the Closes (complete) & (2) new roofs for Woodbury 570-581 (work began on July 18th and will finish in early August).
