Financials

April financials are posted on the community website.

Work Orders

Since April 20th, we have 6 new work orders & have closed 7 work orders.

Landscaping

Abbie & Peggy continue to meet on Thursdays. We have been fairly successful in getting the residents to use e-mails to make specific requests & complaints.

Trimming bushes will begin in mid-May. The following areas are trimmed: the fronts & sides to the A/C units the garages & the common areas in front of the closes. After a mild winter & many spring rains, the landscaping is lush & growing daily. We anticipate the trimming will take most June to complete.

Water Meters

Water meters are being turned on when requested.

New Owners

David & Elizabeth Green have purchased 535 Weathersfield.
