Financials

October financials are posted on the community website.

Work Orders

Since our last report, we had 6 new work orders & closed 6 work orders.

Landscaping

The crew at Ruppert Landscaping has completed several scheduled landscaping enhancement projects. The company is also spending time blowing leaves from the units & the common areas. Once the leaves have fallen, a vacuum truck will be used to remove leaves. Also, two more dead trees will be removed.

Jon Hanna will complete the work he started last spring to thin the crepes & address other tree pruning issues before the end of the year.

Doug McAllister, the new Landscape Committee Chair, & Peggy will continue the practice of touring the community on Thursday mornings each week.

Website

Posting continue monthly, sometimes more often. As a reminder, all WSG documents (ex, Board agendas, Board minutes, etc) can be found on the community website.
