

**Weathersfield Service Group
Manager's Report
February 15, 2013**

Financials

Monthly financials are posted on the community website.

Work Orders

Since January 18th, we opened 10 work orders & closed 2 work orders.

Landscaping

The crew at Ruppert Landscape has been busy with winter pruning of the oversized hollies, removal of a Magnolia tree, cutting back a large area of Eleagnas & cleaning out small dead trees & limbs in the natural areas.

Next, we have received an estimate for the renewal of the 558 Close. Work will begin this month. There are also several individual projects to be scheduled in March. All new plants must be in the ground by March 15th.

Finally, Doug & Peggy toured the community looking for limbs on roofs with arborist Jon Hanna. Jon will be working on the trees in February & March.

Special Projects

We are getting estimates for a gazebo to be placed in the Grove & for water to be piped to the area. Also, we are exploring how the area can be made more attractive with grass, stones & plants.

Website

We continue to support the existing community website with current postings.
