Monthly financials are posted on the community website.

Work Orders

Since April 22nd, we had 14 new work orders & closed 6 work orders.

Landscaping

Ruppert Landscape continues with seasonal maintenance of the community. Doug & Peggy identified several other projects that were completed this month.

Also, ribbons will be provided for residents to tie on bushes they do not want pruned. Every Close will be given a roll for owners to cut off the lengths they need. As soon as we know the start date, we will post that & the schedule on the community website.

Special Projects

David Carroll, A Trusted Son, is continuing to repair & paint chimney caps where needed. Also, an estimate from Asphalt Enterprises for repair of Close entrances will be presented at the May Board meeting.
