Normal maintenance continues.

Because of recent storms several trees toppled & have been removed. Another dead tree was removed as it was a safety hazard per arborist Keith Wright. We have also asked Keith to provide an estimate for a second dead tree.

Special Projects

David Carroll & Gregg Melville have begun the porch project. They have completed repairs & painting for the first priority list & will begin the second priority list in August.

The crew at Asphalt Enterprises repaired several sidewalks & the entrance to the 570 close.
