

**Weathersfield Service Group  
Manager's Report  
December 31, 2015**

**Financials**

Financials are posted on the community website.

Bob & Tara continue to meet monthly to discuss WSG financials.

**Work Orders**

Since the last report, we have 5 new work orders & have closed 8 work orders.

**Landscaping**

Ruppert has now complete the fall/winter trimming. They are currently on a 10-day schedule. At that time, they will mow, if necessary, blow leaves and do additional trimming if needed.

As a reminder, Christmas tree removal will be on the first visit after New Year's and then two weeks later. Please remember to bring your tree to the common area so that they can be removed in an orderly fashion.

**Special Projects**

The outside light project has begun and is progressing nicely. Peggy is working closely with Zana on this project.

**Website**

Monthly, sometimes more often, updates continue on the community website. As always, Berkeley does not charge WSG for routine updates (ex, posting financials, manager reports, etc.) to this website.
