

**Weathersfield Service Group VI  
Manager's Report  
Friday, January 15, 2010**

**Financials**

December financials are complete & have been shared with both John & Charlie.

Also, current aging reports have been shared with John & Charlie.

**Work Orders**

Six new work orders have been processed and four work orders have been closed.

**Landscaping**

Ecoscapes will pick up Christmas trees for the second time the week of January 18. This service is part of the contract and is free to residents.

Jon Hanna from EcoLogic will begin the tree work starting January 19, weather permitting. He will be pruning branches falling on roofs.

Peggy Akers is the point person for landscaping issues. Please have residents call her to discuss any problems.

**Website**

As the new website for WSG is up & running, an action plan is needed to make full use of this valuable tool.
