REQUEST FOR LANDSCAPING MODIFICATION APPROVAL (Rev. 02/2021)

Please submit this form to **BOTH** the Chair of the Landscape Committee: David Piet, as an email attachment: piet.david45@gmail.com and copy: pietpelon.nancy44@gmail.com and Mill House Properties: hoa@millhouseproperties.com

Since the Landscape Committee's annual budget for replanting is limited, please indicate if: (1) you are willing to personally pay for the plants; (2) would be willing to cost share; or (3) that the HOA pay for the plants.

Personal Property: Describe the proposed landscape modification to your personal property and why you are requesting the change. Describe overall plants/shrubs and materials to be used, and/or vegetation you wish to have pruned, removed, or replaced (use additional pages if needed). Personal property is defined as approximately ten feet from the front porch of the townhouse to the sidewalk in front and approximately ten feet along the side of the house extending to the HVAC system.

Common Areas: WSG is responsible for the care and maintenance of all Common Areas that are defined as the land around one's personal property including along the sides and rear of residences and in all parking areas.

Residents or members of a Close are prohibited from planting in or around Common Areas. However, if, due to the Rejuvenation of WSG of January 2021 or if there are dead or dying plants in Common Areas, residents or members of a Close should contact the Landscape Committee to consider a request to plant in their Common Area. Prior to any request, please review the [Landscape Guidelines for Renovations to Homeowner Property](#) available on the web and, if approved verbally during inspection by the Landscape Committee, submit a Request Form. The Committee needs to consider both the budget and equity when distributing funds among the residents or Closes and prioritize requests based on the greatest needs first, as determined by the Committee.

The Approval form must be submitted regardless of who will pay for and/or complete the work –the HOA or the homeowner or Close.
