WSG REMINDERS: FALL 2022

October November December

The **Annual General Meeting** will be held at the Gathering Place on November 5, 2022, from 2:30 p.m. to 4:30 p.m. The meeting packet, containing annual committee reports, the proposed 2023 budget, a board member election ballot, and a proxy form will be mailed to all homeowners around October 4. The packet will also contain a separate ballot on a proposed amendment to the WSG covenants to institute a cap on the number of rental units allowed in Weathersfield. This rental unit ballot will have a later due date than the AGM board election ballot. Please review all enclosed materials carefully and come to the meeting, if you can, or complete and submit a proxy form. It is important that we have a quorum in order to conduct the important business of our Weathersfield Service Group.

Fall pruning of shrubs, bushes and holly trees on private property will begin October 5 (weather permitting). Please use colored tape to identify any plants you do not want pruned. Rolls of tape have been left in each Close. If you do not see the tape, check with your neighbors.

The **Weathersfield Fall Celebration Picnic** is **October 29** (rain date October 30). Planners will distribute flyers with details in early October.

Davey Tree will conduct its **annual tree and branch removal survey** in late fall and will do the work early in 2023.

Take a quick refresher course on the key items within the **Weathersfield covenants**, including parking guidance, exterior alterations and repairs to homes and garages, HOA insurance coverage, and more. A helpful one-page document can be found on the WSG website at: <https://www.weathersfieldsg.org/guidelines-2/>. Select the first item on the list.

Now that fall is here, let's get together again at the Grove at 5:00 p.m. on Wednesday evenings.

Daylight Saving Time ends
Sunday, November 6, 2022
