

WEATHERSFIELD

at Ferrington Village

WSG REMINDERS: SUMMER 2023 JULY AUGUST SEPTEMBER

Ruppert Landscape:

- Regular Ruppert visits occur each Wednesday, weather permitting.
- Please use your Close's designated area within the Close to place leaf bags and yard debris. Please do not put them on the roadsides. Let's keep the roadsides as neat and tidy as possible.
- Please do not park vehicles on the grassy edges along the roads, and notify contractors and other visitors to park elsewhere.

Davey Tree:

- Although the overall Weathersfield expenses are on track, the tree budget is in the red. Due to this shortfall for tree work, the Board has decided that for the remainder of the year, we will only take action on trees or branches if they pose a safety threat.

Reminder: Due to this situation, please do not contact the Landscape Committee regarding tree work unless it poses a safety risk in which case someone will assess the risk and, if necessary, take appropriate action.

- Based on the annual tree survey in the fall, the tree work will be conducted early in 2024.

The Grove:

- Recently, the Board approved a project to revitalize the Grove. New lights have been installed, and additional gravel and new pine straw have been added to beautify the Grove. Please visit the revitalized space, and don't forget Wednesday get-togethers.

Pets:

- Now that summer is here, make sure your pet has plenty of water and be careful walking your pet on asphalt. Please pick up after your pet and always use a leash.

It would be greatly appreciated if all residents would be mindful of keeping WSG clean and beautiful over the coming months.

Stay Cool!
